- Mobile phone number
- Social Security number
- Date of birth

If we cannot sufficiently match the webform information to the information in our records, then we cannot process your CCPA request. In such case, we will instruct you to call our Customer Service Group to receive further assistance concerning your CCPA request:

Additionally, we will use the personal information contained in a webform only to verify your identity and comply with your request. We will not charge a fee to process or respond to your verifiable CCPA request unless the request is excessive, repetitive, or manifestly unfounded. If we determine that your request warrants a fee, then we will tell you why we made that determination and will provide a cost estimate before completing the request.

Only you, or a person you authorize to act on your behalf, may exercise your rights under the CCPA. To designate an authorized agent to submit a request on your behalf, you must call our Customer Service team at 855-646-5242 (855-NINJA42) and provide personal information sufficient for us to verify your identity. Finally, note that we are only required to respond to your information request twice within a 12-month period. Additionally, any disclosures we provide will cover only the 12-month period preceding our receipt of a verifiable CCPA request.
